Timeline of the 2018-2019 season showing the progression of the COVID-19 pandemic. The timeline is divided into two main sections: the first section (from the start to the end of the first year) is labeled '137' and '2' below it, and the second section (from the start of the second year to the end of the second year) is labeled '19' and '17' below it. The year '2018' is marked at the end of the timeline.
